

BIOLOGIST PROGRAM

Fur Takers of America will allow three(3) FTA Chapters/Affiliates each year to send one(1) State furbearer biologist(or other State wildlife biologist) and two(2) furbearer professionals (biologists, furbearer researchers, Trapper Education Coordinators, etc.) to the FTA Trappers College. In order to be considered for this program Chapter/Affiliate will need to fill out an application and send it to the FTA Trappers College by May 31, of the year being considered. All applications will be reviewed and three (3) Chapter/Affiliate participants will be chosen by vote at the annual Governing Board meeting, which will be held at the June FTA convention. Chapter/Affiliate cost for the College will be half of the prevailing tuition and the FTA will cover the other half of the cost. Transportation is not included. A brochure with information about the College as well as an application is available upon request from the FTA Trappers College at the address on the bottom of this page.
